Chris Sundberg -

I just faxed you motion #375 as a drafting request for a JFC budget amendment. This will require the creation of a new PR biennial appropriation in Commerce.

I will be out of the office Saturday and Sunday. Daryl and Chris Pollek will review the draft.

Due to our time constraints to submit chapter 20 appropriation changes for the new appropriation on Saturday morning, I would appreciate if you would assign an alphabetical designation and name for the new Commerce appropriation right away, and email all three of us as soon as you able, because we will need that information on Saturday morning. Daryl will complete the chapter 20 appropriation changes on Saturday morning.

If you have any questions, please call Daryl on Saturday morning.

Thanks.

WISCONSIN HOUSING AND ECONOMIC DEVELOPMENT AUTHORITY
AND COMMERCE

Funding for Commerce Homeless Services Programs

[LFB Paper #220]

Motion:

Move to direct the Wisconsin Housing and Economic Development Authority (WHEDA) to transfer \$1,000,000 from its unencumbered reserves in each of 2007-08 and 2008-09 to the Department of Commerce for shelter for homeless and transitional housing programs. Create a PR biennial appropriation for this purpose, authorize the payment for shelter for homeless and transitional housing programs, and provide expenditure authority of \$1,000,000 in each of 2007-08 and 2008-09. Repeal this appropriation on June 30, 2009.

Note:

The shelter for homeless and transitional housing program provides grants to organizations and local governments to operate transitional housing facilities or for homeless shelters. The motion would not change the purpose or requirements of the program, but would increase the amount of funding for the program from the base level of \$1,506,000 to \$2,506,000 each year, on a one-time basis in the 2007-09 biennium.

The Committee's previous action adopted the Governor's recommendation to transfer \$2 million from WHEDA's unencumbered reserves to the Department of Commerce for housing purposes. Under the motion, WHEDA would be required to transfer an additional \$1 million in each year of the biennium, for a total of \$3 million.

The statutes require that WHEDA's unencumbered general reserves be set aside for programs outlined in a "Dividends for Wisconsin" plan. This plan fulfills the Authority's statutory requirement to maintain an unencumbered general reserve fund within its general fund into which any Authority assets in excess of operating costs and required reserves are to be deposited. As a part of this plan, WHEDA is required to allocate a portion of its unencumbered general reserve funds to: (a) match federal funds available under the McKinney Homeless Assistance Act; (b) match federal funds available under the home investment partnership program; and (c) fund the property tax deferral loan program. Unencumbered general reserves are typically used to supplement bond proceeds to achieve more favorable interest rates or other lending terms and to fund other single-family and special housing programs and small business assistance.
